Description

This charming duplex apartment on the 5th floor is bathed in natural light throughout the day, thanks to its south-facing orientation, creating a pleasant living environment. The apartment features an entrance, a bathroom with a toilet, a delightful living area that opens onto a balcony, and a mezzanine that can serve as a sleeping area or office space, depending on your needs.

Conveniently located near shops, public transportation, and various amenities, this property will appeal to those who appreciate unique and functional living spaces.
