Description

In the heart of the highly sought-after Quartier des Musiciens, on the particularly pleasant Avenue Baquis, lies a charming studio apartment. Positioned between Boulevard Victor Hugo and Place Mozart, this 24.52 square meter studio is located on the fourth floor of a beautiful period building, accessible by elevator. The apartment enjoys a westward exposure, offering a peaceful environment.

The interior features a living area with a fitted kitchenette and a bathroom with a toilet. Additionally, a basement storage room is included with the property. The studio is well-maintained and immediately habitable, though it retains a slightly retro charm that could benefit from aesthetic updates to fully unlock its potential. This property presents an excellent opportunity to create a personal pied-à-terre in Nice or to make a valuable investment in one of the city center's most appreciated neighborhoods. The area offers immediate access to shops, public transport, and all necessary amenities.
