Description

This beautiful apartment, measuring 66.5 square meters, offers a perfect blend of modern comfort and welcoming ambiance right in the heart of Nice's vibrant city center. Located on a high floor, this rare gem features three rooms, including two spacious bedrooms and a large living area with an open kitchen.

The apartment boasts high-end amenities such as ducted reversible air conditioning and double glazing. The modern building is equipped with an elevator, providing easy access for individuals with reduced mobility, and features a videophone system for added security.

With its prime location near shops, transport links, and schools, this apartment is ideal for a family or couple seeking an enjoyable urban lifestyle. It serves as an excellent choice for a primary or secondary residence and is also a promising investment opportunity.
